Farm Dominoes

INSTRUCTIONS

1. Mix up the dominoes and place them face down
2. Each player takes 4 dominoes from the pile, don't show them to anyone!
3. Youngest goes first and lays down a domino. The next person has to lay down a domino with a picture that matches one that's already there. If a player can't go they pick up from the pile and miss their turn.
4. Play until all the dominos are gone
